“

38% of CEOs who are the most advanced in delivering their upskilling programmes were very confident about their growth.

PwC's Talent Trends 2020

Why should you attend?

Skill development workshops

We're on the edge of a new world of work - our jobs are changing, and fast. The gap between the skills people have and those needed for jobs in the unprecedented world is one of the most critical problems of our time.

Join experts from PwC and LinkedIn for a series of hand-on, insightful workshops to learn a range of soft and technical skills that will take you one step closer to becoming the professional of the future.

Panel discussion

Tune into an interactive panel discussion with experts from ACCA, UoL and PwC to learn about the skills in demand and how organisations and professional bodies are preparing individuals for the new workforce.

Discover the new pathway to success

Meet our industry experts and training consultants and choose the right professional qualification to upskill yourself. 6 week accounting Diploma OR study + work @PwC as a Young Employable Scholar (YES) or good old ACCA prep; Identify the programme that suits you the best.

Meet the future YOU!

Get firsthand experiences of PwC employees and ACCA students who are now accountants and successful finance professionals.
